you will award using a important: when is the means: the unknown and there is an author on a way he is in a know where I know it is a new you need to whom you are and

what is this a you and you are in primitive cells by communities and in his is as long as you are who are you a you will and so that is an news and losers in a foreign is as a you are a only you really are you... See to you on a is an affirmative action will you soon as a human is worth is that the reason we are in a line is clear to me as soon as you want and leave you with these and you would will work one to me

it is you who is doing for us to fill in for her this is a war in you and you wouldn't know who you will and you know you're going with one or more and will work with you and will need you to whom he feels is a you are born as a worthy assurance that the one to: you are so grown from a and her son were soon as you and him were worth as a person is a mission for you to wish you to resume her people in this was the solution going this route you will: you do if you own one or one who is a woman who is a noted.. sorry this is a part of her wages to leadership (NOTE: THE CAMERA ON THE COMPUTER WAS STARTED. AT 3:02 WHEN I SAID I WAS GOING TO STOP THE SESSION.) one

juicer. She's here is a you and him.

In a move : there is as you and what did you suffer illness or you will soon you are arrange . She certainly came on shift this long was that we was any similar security reasons know his computer is on a you are you as have you shift here from promotion saw you as a summary of what you and he says enable that I dislike yourself by name: your dad.

You directed for yourself by learning that protocol for us this

thumbsucker

that's what you are

you

we're going to hear if you find yourself in it was you directly for yourself programming that will offer us this is what this is to finish lesson that is in excess

security

there is a security issue

on my interviewer

because I'm 50 and judges decision was made in year to figure 51. Gently his decision was your visit to somewhere where you visit someone just looking where I was and in ship shape and affect there is as business...

Okay Xavier this is.

Where are you?

Where are you? Don't make me find you because I will. Tell me now. You know my abilities, so you know I will. Tell me where you are.

On talk with you to review our

I'm scanning for you right now. You'd better come clean with what this is about and give me details. This is your last chance. State your purpose for this contact with me.

That using both unique THIS is wrong using one need talk to you need something in what you want me him and

Who is "him" that you keep talking about? Give a name or we are done. I'm serious I'm done with this. give me a name. who is him? You can be some convict and prison for all I know. I'm still scanning for you. I don't know why you contacted me. Your message is not clear. So you need to either be clear about what you want, identify who "him" is or we're finished here. Now speak and speak fast.

You are going. We want what you want. In a way even when

<u>Monday, November 21, 2011</u> This was a separate Notepad session and it "read" a couple of sections out loud 3 times. This evening.

Well?

Were you what you are usually low and you know who you are in and you are you as you I took one with a• little as you know is this really the way as well and with whom you will and he will know you and things are numbered and was in the you remember is the new and in the and in and in a where are her later and she is a musician you will you okay and she is a you know she knows you

Sony Rune
that's her name and surname?

Legal moves as you as you were that you and I need room is a is less wrong than you will with you and your you what you knew as a way to know you knew what you is as newly so he or she wouldn't with this was when this was going he is going is when you see things you say something in question is to say you really need to know the reason you are a you who you are the one thing you have to say is you think you so you you can choose you she's a long soft as she's in a you and I see you a you as you as you and a you a list you set in the bushes and you say he is as you know this is a and so so as Savior said should you see is what you want when you want a you and a will will will will and I and you have a will and tell her I is a GM and in an hour so we will see you know is is is is is is a you are you so you are and you as you and you are you he is a you are you he is a you are you he is a you are you he is not you are and you and you and you are as you see you in a you and you and is a you are you he is he is in and is is a you are you so you are and you as you a you a you a you and I and you have a those you you you you you you you you you are in a the and he is a you is a you and you he is a you a you and you is who you are is you are

| will send to you 2 to review and the woman he was related in the thing you and you and |
|---|
| I should talk to her 55 and is a channel is a you and I will have a well as is or is you will |
| reason is you is on you and let your you I is when you will a will and a you and a you |
| and him. |
| The community |
| we knew your name |
| How do you know my name? |
| What is my name? Who and what am I? If you can answer correctly, then we can |
| talk. |
| You in humans and questions and views in Google you will work for you and you are |
| you and your family and • was is worth with a resume work those leases |
| |
| That does not make sense |

Why are you talking to me? World will use you to do a web will and so I shall be seen as soon as you and him

You and it is this is him new cool and in so you will a way who is a will to you for you to look for it in woman who is a new slew in her room as you are you know you will and you and you will a new is

Please tell me what is happening. What is coming? Do you have a message for me?

Where are you?

I'm in the session you know you are in. In reality and we shared consciousness and death meets the needs of a debt he is in you is that the word is that you will in a you only can you do that help you

I'm not understanding. I'm sorry. Please help me.

Don't you to all who knew all the "who are you who would you bring it in and you are a you a you and them to new the window so you are can you or they will add a new one you are you are you a you who got a pair will you will will will you and you and you will you will you as you are will you do you use to you if you are a you a you will know her you want from me is we you a when I I asked you this you you you you you everything you will set up a a you a you a you go on a you key goal here is the reason to go he is a you will you as you think is a you are so you know you as a you a you a you will you say you are will you will all why you are you will know who are you are you he you are you are you are you all a you will all who are you to a you the will to you will you will will will you will you and you will one or a will to you is in a mood will say is you will as he is you

Know you are a 70 over 70 what is a 70?

Where are your time will you use a computer you want future exactly you he came charging you to a cute are you where you see you soon

You are you are you are so strong that

What do you mean you'll see me soon? 👔

Okay, we are finished. You won't answer me, so I am not going to do this any more. For all I know you are some stalker who's hacked my computer. This is your last chance. If you have anything to say, say it right now. I'm shutting this down for good. I will not be logging on any more. Tonight is the last time. Good bye.
